When the church falls short of being an excellent description of the Body of Christ, there is an urgent need for a reawakening. When the character of the church is no longer consistent with the character of Jesus Christ, the head of the Body of Christ, there is a need to sound the fire alarm. When the church can no longer influence its members and

the world in doing what is scripturally right, but good and acceptable, there is an urgent need for a spirit guided self examination. When supposed church members are no longer guided or led by the spirit of God but the senses or the world, there is a need for transformation by the renewing of the mind. When church members can no longer tell the difference between the true gospel of Christ Jesus and the secular gospel both preached from the same Holy Bible, there is an urgent need to speak out to save many from the path of damnation. The focus of this work is not so much on those social and business empires branded churches but on the individual whose genuine spiritual state is hinged on a personal relationship with God. I have two assignments here, one to challenge you that Men can host God, you can become a mobile Ark. Gather the elements that they gathered, obey what they obeyed and the glory will rest upon you. The same way it rested upon them, the anointing of the Spirit does not work at random. An individual can be a carrier of His presence. You can take that presence everywhere. Anybody who drags you, who is a Philistines will soon know what he carried. You don't have to tell people I'm dangerous. Let the devil try you and what happened to the Philistines when they took the ark, will happen to them. The ark that was not talking was bringing havoc in the camp of the enemy. But when the same ark was taken to the house of Obededom, in 90 days his life and that of his family turned around experientially. That means if you are employed, in three months of you being in that office, there are things that should begin to happen as a testament that the ark has arrived. How do I become a mobile ark? Find out in this book. The participatory role that you have to play, sitting down in waiting for God to do everything is a joke. It took man to build the ark, it will take you to make that place conducive for Him. Men can host God! That means if you are employed, in three months of you being in that office, there are things that should begin to happen as a testament that the ark has arrived. How do I become a mobile ark? Find out in this book.

I want to teach about illumination, which is similar to the word enlightenment. Whenever we talk about illumination, we are talking about access to light, knowledge, information. Like we have the people we call elite, those who have illumination, they have been able to train their minds, program their minds to function in a dimension to the extent they have been able to drive out ignorance. Ignorance is dangerous and the strength of darkness is ignorance. Ignorance is absence of light, strategy, illumination, and understanding. There is ignorance in the body, and we have to content with God's strength to drive away this darkness, otherwise the days that are coming will embarrass us very seriously. The days that are coming is separating the church into two different parts. It's either you know what you're know doing or don't know what you're doing. The disciples kept walking with Jesus. They thought they were understanding what He was teaching and one time he went to the mountain of transfiguration and they were happy to shine. They brought somebody who had an epileptic condition, and the disciples couldn't heal him. When Jesus came down from the mountain, they were hoping Jesus also will not be able to heal, so that they could believe there's nothing special and Jesus proved them wrong. Is it not amazing how you feel when other people fail in what you failed, to make your failure looks not special? It's so frustrating when where you failed you see someone walking out flawlessly, it

cancels all excuses you would have given. That's why they hated Jesus, because every time Jesus showed up, his life and his actions were message that frustrated them. Jesus ministered to the person and once he's healed. I pray ignorance will be dismissed from your life forever. Amen. We never knew the strength of the power we have with until we have the power of illumination. Illumination is a very interesting word. Everything in your life is at the mercy of light. Your breakthrough in life is at the mercy of light. Read This Book and Be Blessed Illumination is a very interesting word. Everything in your life is at the mercy of light. Your breakthrough in life is at the mercy of light. Read This Book and Be Blessed

When you keep wallowing about the things of God and there is no result in your life, the danger is at, a point in time you will become informal about everything God because you do not expect it to produce for you. You will be in church you will be around the things of God, but you will never truly believe. There are people who at every time God is about to move, they are right at the face of it, but they never believe it will happen in their lives. The bible says blessed is he that believes, unbelief is a dangerous spirit, unbelief is able to make the word of God as powerful as it is of non effect. He says when you hear his voice harden not your heart as they did in the provocation in the wilderness. God gave them a word, they doubted. God's obsession much more than being worshipped is to be trusted, you don't sit down and use your philosophical, scientific understanding saying, can God make a way in the wilderness? is God able to do this? and we go to school and when we finish school for many people, we become very educated and we become very unwise spiritually because we train ourselves to become scientific in our approach and then we incorporate our intellectualism even into the things of God, so when God says I will do this, you say no, no, God according to my intelligence, according to this and that research and God says nonsense, he opposes all things by the word of his power. unbelief is a dangerous spirit, it can turn any man regardless of the spiritual potentials you have, it can reduce you to ashes. We must continue to press to make sure that Christ is revealed in every aspect of our lives. It's a contention and it is a journey. In the realm of the spirit, you are sound spiritually. You're growing and confirming to the image the character of the Christ. Your life is becoming a representation of God. You are hosting very superior dimensions of His presence. Then your mind is enlightened. You are sustaining an understanding that is higher, far higher than the intelligence of the average human being. Then, your physical environment. All the auxiliary systems that support the fact that you are in Christ. You are only fruitful in your Christian experience when your entire tripartite being participates in revealing the victory of Christ. If I am sound spiritually and I am anointed but then my mind is barren and unfruitful, there is a dimension of God that my life will never be able to present. If I am wealthy and influential and my mind is healthy but my spirit is dead, there is a dimension of God I will never be able to communicate. The lopsidedness in the teaching about the revelation of Christ through a man. What the Bible calls the muster of godliness is the reason why there is a lot of unfulfillment in our Christian experience. It is as though you should select one area where you want Christ to be revealed and some selected finances, some selected intelligence, some selected influence, some selected spiritual health, career, etc and everybody just selected and God said "no. I will never be revealed wholly like that." the entire tripartite nature of man must participate in revealing all of Him. So, the assignment in building all of you is to make sure that as we continue to press by His grace, no aspect of our life is left barren and unfruitful. The possibilities of the kingdom are dependent on the truth that we act upon. It is not dependent on God alone. God's desire can be helplessly sabotaged by our inability to understand His systems. The Psalmist said, "open my eyes that I may behold wondrous things from your law". A man can receive nothing except it be given him. If God does not open your eyes, you will only be reading story book. Favor is a reality that we all desire. There is no one who will argue with the fact that a man's life and success is directly dependent on favour. We come from backgrounds that by default should keep us failures forever. Working on human strength, sometimes your lifetime cannot even remedy the catastrophe that is associated with your backgrounds. It will take decades to remedy the damage that has been made before we can have any chance at success at all. So God programmed a system in His dealings with men where men

can rise out of the limitations associated with their backgrounds, mistakes and pains. The possibilities of the kingdom are dependent on the truth that we act upon.

FEAR TO GLORY This is a story of deliverance from the spirit of fear. The objective of this book is to encourage Christians to overcome and triumph over the spirit of fear, arise in the light of the word of God, and shine bright in His glory. In the **PERSONAL TESTIMONY** chapter, I have highlighted many mistakes I made over the years, that allowed great fear to enter my mind and attack me. I share my heart and vulnerabilities, with the hope of helping brothers and sisters in Christ not to repeat such mistakes, that can even derail one's journey in faith. The **WORDS OF ENCOURAGEMENT** chapter highlights three important areas a Christian can embrace in the journey of faith, especially in overcoming fear. Holy Bible stories and scripture references are made where applicable, in supporting the narrative. Apostle Joshua Selman. It was the notes from his teachings that I referred to start, the prayer and worship marathon day. Apostle Joshua's prayers and the manner in which he prayed influenced my prayer life. The powerful prophetic

An altar is a gateway between the realm of the spirit and the earth realm that grants unhindered access to certain spirit beings to find legal expression in the earth. An altar is a legal landing spot of the spirit on the earth. An altar is an altar because of the presence of sacrifice, the realm of the spirit wants to interact with the realm of the earth legally and vice versa because the inhabitants of the earth know that without the realm of the spirit they are limited in the possibilities that they can produce, they call for the assistance of these spirit beings. In agreement to bring these possibilities to the inhabitants of earth, the spirits give their conditions, certain things that can create a habitation that will look exactly like where they are coming from and then they summarize their demands in what they call sacrifice and they ask men to raise certain structures and put certain sacrifices. The kind of sacrifice on the altar depends on the kind of spirit that wants to access the earth, the absence of sacrifice on an altar makes it unqualified to be called an altar, thus, the sacrifice is what makes it an altar and the kind of spirit to whom the altar is raised determines whether the altar will be a good one or a bad one. The biggest delay to the move of God or the territorial dominion of the church is the kind and quality of available vessels. Many factors can interrupt the move of God and delay the manifestation of His purposes in our lives. But one of the most critical often greater than demons, curses, yokes, or evil spirits is the kind and quality of vessels available for God to use. Many people's failures can be traced back to their world view how they were taught to see life. This mindset becomes so deeply ingrained that it renders meaningful change almost impossible. The Christian faith needs to return to the drawing board and re-examine our worldview so that certain errors don't lead to total failure in life. False prophecy is bad, but false teaching is worse. You cannot put new wine in an old wineskin. There are many people suffering today courtesy of the ignorance from the pulpit. Many people were destined for greatness but were limited by teachings from the pulpit. This contributed to an aberrant worldview that led to different limitations in their lives. Many teachings and sermons preached on the pulpits are direct products of fear, lack of transformation, insecurity, and jealousy. The content used to bless God's people must be re-edited, to make champions out of the Believers. Many things we blame on demon spirits are a direct product of our lack of knowledge. Enjoying the best of God demands that you build a spiritual and mental structure that is wholesome and formidable enough to receive what God is releasing. One of the main reasons we fail to see God's move, or why the Church has no territorial dominion, is a wineskin problem many want new wine without changing the wineskin. You cannot put new wine in an old wineskin The biggest delay to the move of God or the territorial dominion of the church is the kind and quality of available vessels.

Introduction Let's start as we open our heart this hour. The Bible says, they looked unto Peter, the men at the beautiful gate expecting to receive. You must be expecting to receive. I trust that our moment together will be life transforming and I know that when God gathers us like this, it is for a reason. While I sat, Rev. Akila was telling me that there are multiples overflows and I can see people standing on fences. You can imagine how very humble this is. This is what happens when the spirit of God is moving in a place. I believe that by this conference, alongside many other meetings, I know that God is doing something remarkable upon the platform. We declare in Jesus name that, that which he desires to do, he will do it without restricts. Amen Are you ready to say a word of prayer? Please lift up your voice in one minute and ask the Lord for a definite encounter tonight, a definite visitation. Prayer: Ask the Lord to give you a visitation tonight and that while his word comes to us, let the sick be healed, let the oppressed be delivered by his sent word in Jesus name. Every time we have the opportunity to open the scripture, we must give the Holy Spirit a chance. I want you to be sensitive, you are not just hearing a man teaching, you are hearing the Lord revealing many things about your destiny, you are hearing the Lord addressing very definite issues of your life. I do not believe that we come before him and go back the same. For scripture declared that, he had not called the seed of Jacob to seek him in vain While I sat, Rev. Akila was telling me that there are multiples overflows and I can see people standing on fences. You can imagine how very humble this is. This is what happens when the spirit of God is moving in a place.

1Co 2:12 Now we have received, not the spirit of the world, but the spirit which is of God that we might know the things that are freely given to us of God. So the bible starts there, by telling us there is a mystery shrouded by the wisdom of God and it is called the hidden wisdom of God and that this hidden wisdom has been kept for the of the saints, please understand and that the bible says this wisdom is not the same as the wisdom of the world nor of the princes of this world that comes to naught. He is trying to show the un surpassing excellency of this hidden wisdom that relative to the wisdom of the world and relative even to the wisdom of the princes of the world, it comes to naught, it can't be compared, but he says that this wisdom is hidden and that there is only one entity mandated with the responsibility of searching out this wisdom and bringing it to the saints but the bible says whoever by any means can access that wisdom, the destiny of that person regardless is the glory that it was hidden for, the glory of the saints, that means that I can look at your life and know that you have accessed that wisdom by the dimension of glory that vetoes

your background, the dimension of glory that vetoes the limitation of glory around your life. There is a mystery that can lift men out of the grip of the terror and the vicissitude of this life, the bible says it is the hidden wisdom of God, a body of information privy to the seen that the holy spirit can grant you access to, that if by any means my brothers and sisters, regardless of your background, that you hold on to this wisdom, then your world will see you as a wonder and a marvel, they look at you and they see attributes that are not allowed for humans to have, your hidden wisdom revealed by the spirit. Read This Book and Be Blessed There is a mystery that can lift men out of the grip of the terror and the vicissitude of this life, the bible says it is the hidden wisdom of God, a body of information privy to the seen that the holy spirit can grant you access to, that

Your dominion in life is a summation of your comprehension of the mystery of the kingdom. I have said this again and again and I want us to please pay attention. Every gate can be opened if we have the key. Gate only open when you have the key not when you want it open. Desire is not enough to bring you to a place of destiny and breakthrough. As we keep coming week after week, I want you to realize that there is a transformation that is happening. And that transformation is happening by the power of the word of God. The word of God not only gives you knowledge, it translates you to become what it's saying and it empowers you to demonstrate the reality of what you claim to know. Any truth that you have and you know but cannot be demonstrated is not yet a revelation in your life. I want to challenge us that our passion in this place, must be kept high even as we seek to press to know Him and to understand His ways. I give you a guarantee. The bible says they are life to them, those who find them. Not everybody will find them, they're not life to Christians, they are life to those who find them. Read This book and Be Blessed. I want to teach us about the revelation and significance of the death of Jesus and why he had to shed his blood. Couldn't he have died without shedding his blood? Now take note: The realm of the spirit is a realm that works with very definite spiritual laws. It does not leave any chance to guesswork and the initiating of anything from man's opinion. There are exact spiritual laws that must be followed through for any process to be achieved in the realm of the spirit. The Significance of Blood This is the common ground for every religion I know including the occultic. They respect blood and they have something to do with blood. Right from the garden of Eden, we begin to see how that when man fell, God Himself stripped a bloody lamb and used it to cover Adam and Eve. Right from the garden of Eden, there was the shedding of blood. Then all through the old covenant, we see the shedding of the blood of bulls. But the question I have is that what is it about blood that makes it effective? Why not the flesh? Why not water? Is it the colour of the blood? Is it anything that is just red in the human body? Many people know that the blood saves, but we do not know what is it in the blood that is so powerful that even Satan and death the last enemy to be destroyed, can respect it. All through the scripture, We see that anytime the blood was shed, there was an invisible hand that stopped men in whatever it is they wanted to do. Kings in ancient times will slaughter their children and allow the blood to spill on the floor and at once the war will stop no matter how angry the enemies were. What is it about the blood? Not the blood of Jesus, just blood. Is it the colour? or its liquid form? So if I inject someone now and a blue substance comes out, do we still call that blood? The reason the church has not accessed the power of the blood is because we have been taught that the blood is powerful, but we have not been taught the revelation of what makes it powerful. What makes the blood powerful? Is it because it was shed by Jesus? What about the ones of bulls and rams? What about the ones of

children that native doctors shed? Read This Book and Be Blessed What makes the blood powerful? Is it because it was shed by Jesus? What about the ones of bulls and rams? What about the ones of children that native doctors shed? Read This Book and Be Blessed

Introduction Believers are only built through the teaching of the word, the communication of the doctrine of scripture is how believers become matured. And the Bible says for this reason, for this course, He gave on to some, apostles, prophets, evangelists, pastors, teachers for the maturing, perfecting of the saints. So, it is important that every time we are exposed to the word of God, no matter how brief, we must receive it with hearts opened and we must listen for transformation, not just information. The Bible says now that you know these things, happy are you if you do them. It is the doers of the word that become blessed, not just the hearer. As the Bible says that we do not be hearers alone but doers of the word. Matters of life and destiny. This book is going to challenge our hearts again and bring to our consciousness some of these truths that govern our faith walk to the end that we be established, strong and built. I commend you to God and to the word of his grace, which is able to build you up and to give you an inheritance among them that are sanctified. I'd like to start by just communicating a burden that has been in my heart. It is God's desire that believers grow and continue to grow. It is not God's design that a believer get saved and remains at that level. The Bible tells us that growth is part of the expectations of God for a believer. In fact, it says, the path of the just is as a shining light that shines ever brighter onto the perfect day. That means that if believers don't grow, you don't allow space for others to come into the fold. Soul winning demands that as you are saved, you don't remain in that position indefinitely. You get to a point where through the ministry of the Word and the spirit, you are growing. Now, that vacuum should not be left empty. Someone went up to allow you come there. So, whilst you are transiting, you have a responsibility to make sure that the vacuum that you have created is not left. You have an assignment to make sure that as you grow spiritually, someone gets saved through your life and then begins that journey too. This is how God trained us. Never was there a time when you would look back and not find someone following you, even though you are following. You are growing. There has to be someone who gets saved through your life. Matters of life and destiny. This book is going to challenge our hearts again and bring to our consciousness some of these truths that govern our faith walk to the end that we be established, strong and built.

Apostle Joshua Selman: A Deep Dive into the Ministry and Influence of a Modern Spiritual Leader

Apostle Joshua Selman, a prominent figure in contemporary Pentecostal Christianity, has cultivated a significant following through his dynamic preaching, extensive evangelistic crusades, and prolific online presence. Hailing from Nigeria, his ministry, primarily embodied by the Eternity Network International (ENI), has become a focal point for spiritual seekers across Africa and beyond. This investigative piece aims to delve into the various facets of Apostle Selman's ministry, examining its theological underpinnings, the methodologies he employs, his impact on congregants, and the broader socio-religious landscape he navigates. Understanding the phenomenon of Apostle Joshua Selman requires an exploration of his doctrinal positions, his approach to discipleship, the structure of his ministry, and the criticisms and commendations that surround his work.

Theological Foundations and Doctrinal Stance

At the core of Apostle Joshua Selman's ministry lies a distinct theological framework, heavily influenced by Pentecostal and charismatic traditions. His teachings often emphasize:

The Sovereignty of God and Divine Power: A recurring theme is the absolute sovereignty of God and His active intervention in human affairs. This is frequently expressed through teachings on divine power, miracles, and supernatural manifestations. Apostle Selman's sermons often highlight God's ability to overcome any obstacle, whether physical, spiritual, or situational.

The Importance of the Holy Spirit: The person and work of the Holy Spirit are central to his theological exposition. He expounds on the baptism of the Holy Spirit, spiritual gifts, and the empowerment of believers for effective Christian living and ministry. This emphasis resonates strongly with Pentecostal doctrines, which consider these elements essential for the authentic Christian experience.

Kingdom Advancement and Dominion Mandate: Apostle Selman articulates a vision of advancing God's kingdom on earth, often framed within a "dominion mandate." This perspective encourages believers to exert influence in various

spheres of life—social, economic, political—as representatives of God’s reign. This often translates into teachings on faith, prosperity, and success as tools for kingdom expansion.

The Authority of the Bible and Apostolic Doctrine: While embracing charismatic expressions, Apostle Selman consistently anchors his teachings in the biblical text, advocating for its inerrancy and authority. He often speaks of “apostolic doctrine” as the foundational teaching for the church, suggesting a return to the principles and practices of the early apostles.

Deliverance and Spiritual Warfare: A significant portion of his ministry is dedicated to themes of spiritual warfare and deliverance from demonic influences. Sermons often address overcoming generational curses, spiritual bondage, and the strategies for engaging in effective spiritual combat. This aspect of his teaching appeals to many who face personal struggles or societal challenges they attribute to spiritual forces.

Methodologies and Ministry Structures

Apostle Joshua Selman’s ministry employs a multifaceted approach to reach and disciple believers:

The Eternity Network International (ENI): This is the umbrella organization under which his ministry operates. ENI encompasses various outreaches, including the Koinonia Global Church, which serves as a central hub for his congregational activities. The structure of ENI is characterized by:

Churches and Assemblies: ENI operates several churches and affiliated assemblies, providing a physical space for worship, fellowship, and discipleship.

Crusades and Conferences: Large-scale evangelistic crusades and specialized conferences are key components of his ministry, attracting thousands of attendees eager to experience spiritual impartation and divine intervention.

Online Presence: A robust online platform, including YouTube channels, social media, and websites, disseminates his sermons, teachings, and ministry updates globally. This digital outreach has been instrumental in extending his reach far beyond physical gatherings.

Discipleship Programs: While details can vary, ENI generally incorporates discipleship and mentorship initiatives aimed

at nurturing spiritual growth among its members.

Teaching and Preaching Style: Apostle Selman is known for:

Expository and Thematic Preaching: His sermons often involve in-depth exploration of biblical texts, both expository (verse-by-verse) and thematic (focusing on a specific doctrine or subject).

Impartation and Prophecy: A hallmark of charismatic ministries, he frequently emphasizes “impartation” – the transfer of spiritual power or grace through laying on of hands or prophetic declarations. Prophetic utterances are also a common feature of his services.

Emphasis on Faith and Expectation: His preaching cultivates an atmosphere of strong faith and unwavering expectation for God’s intervention, particularly in areas of healing, prosperity, and breakthrough.

Impact and Influence

The influence of Apostle Joshua Selman is undeniable, particularly within the Nigerian and African Pentecostal landscape:

Spiritual Transformation: Many congregants testify to experiencing profound spiritual encounters, breakthroughs in personal lives, and a deepened relationship with God through his ministry. The emphasis on the Holy Spirit and deliverance resonates deeply with those seeking relief from personal challenges.

Social and Economic Impact: His teachings on prosperity and the “dominion mandate” often inspire entrepreneurial endeavors and a belief in achieving success through faith. This can have a tangible impact on the economic empowerment of his followers.

Interdenominational Reach: While rooted in Pentecostalism, Apostle Selman’s teachings often transcend denominational boundaries, attracting individuals from various Christian backgrounds who are drawn to his message and spiritual intensity.

Global Phenomenon: Through digital media, his influence has extended globally, with millions of views and downloads

of his messages. This has created a diverse, international community of followers.

Criticisms and Considerations

Like many prominent religious leaders, Apostle Joshua Selman's ministry has not been without its criticisms and points of discussion:

Prosperity Gospel: Critics sometimes label his emphasis on faith and prosperity as aligning with the "prosperity gospel," a theological viewpoint that suggests financial blessing is a direct result of faith and God's favor. This can raise concerns about potential exploitation or the misrepresentation of biblical teachings on wealth and poverty.

Emphasis on Miracles and the Supernatural: While central to Pentecostalism, the intense focus on miracles, signs, and wonders can, for some, overshadow other essential aspects of Christian discipleship, such as social justice, ethical living, and intellectual engagement with faith.

Authoritarianism and Leadership Style: The hierarchical structure often found in ministries of this scale can lead to discussions about leadership style, accountability, and the potential for spiritual manipulation. Examining the transparency and governance within ENI is crucial for a comprehensive understanding.

Theological Nuances: As with any theological system, there are ongoing discussions and debates within broader Christian scholarship regarding the finer points of his doctrinal interpretations, particularly concerning spiritual warfare, deliverance, and the understanding of divine power.

Conclusion

Apostle Joshua Selman represents a significant force in contemporary global Christianity. His ability to connect with large audiences, articulate compelling theological messages, and foster an environment of spiritual expectation has cemented his position as a highly influential spiritual leader. His ministry, deeply embedded in Pentecostal and charismatic traditions, offers a message of hope, divine intervention, and kingdom advancement that resonates

powerfully with millions.

However, a thorough and objective assessment of his impact necessitates a nuanced approach that acknowledges both the profound positive influence he has on many lives and the critical discussions surrounding certain aspects of his teachings and ministry practices. Future research and ongoing dialogue are vital for a comprehensive understanding of his lasting legacy and his role in shaping the future of Christianity, particularly in Africa and across the global Pentecostal movement. By exploring his theological foundations, his operational methodologies, and the multifaceted impact of his work, we gain valuable insights into the dynamic nature of faith, leadership, and spiritual influence in the 21st century.
